The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$8,000,000 in Community Project Funding for the Compton College Vocational Technology Building Renovation Project in fiscal year 2024.

The entity to receive funding for this project is the Compton Community College District, located at 1111 East Artesia Boulevard, Compton, CA 90221. The funding would be used to renovate the Compton College Vocational Technology Building. This project is an appropriate use of taxpayer funds because the Compton College Vocational Technology building supports traditionally marginalized and underserved communities and helps provide economic benefits. Furthermore, the building's programs support students and the community with vocational training, which leads directly to procuring living-wage jobs.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Maxine Waters
Member of Congress
