The Honorable Rosa DeLauro  
Ranking Member  
Appropriations Committee  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$3,731,000 in Community Project Funding for the Nickerson Gardens Air Conditioner Project in fiscal year 2024.

The entity to receive funding for this project is the Housing Authority of the City of Los Angeles, located at 2600 Wilshire Blvd., Los Angeles, CA 90808. The funding would be used to install air conditioners for each unit at the Nickerson Gardens public housing development, which serves low-income residents. This project is an appropriate use of taxpayer funds because air conditioning would provide much needed relief for the residents during the hot summer months in Los Angeles.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Maxine Waters  
Member of Congress
