The Honorable Rosa DeLauro  
Ranking Member  
Appropriations Committee  
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$1,383,300 in Community Project Funding for the Watts-Willowbrook Clubhouse Renovation Project in fiscal year 2024.

The entity to receive funding for this project is the Boys & Girls Clubs of Metro Los Angeles, located at 5209 S. Vermont Ave, Los Angeles, CA 90037. The funding would be used to complete vital safety renovations at the Watts-Willowbrook Clubhouse of the Boys & Girls Clubs of Metro Los Angeles. This project is an appropriate use of taxpayer funds because it will help make the Clubhouse a top-notch facility for the youth served by the Boys & Girls Clubs, so they can focus on providing high quality programs for their members, confident that they are in a safe, secure environment. Furthermore, it will enhance their ability to serve youth from some of the most marginalized communities in Los Angeles by offering nationally recognized, research-based programs and activities in three core areas: Academic Success, Character & Citizenship, and Healthy Lifestyles.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Maxine Waters  
Member of Congress
