The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$3,000,000 in Community Project Funding for the Pearl Avenue Sewer Replacement Project in fiscal year 2024.

The entity to receive funding for this project is the City of Compton, located at 205 S. Willowbrook Ave, Compton, CA 90220. The funding would be used to replace a structurally deficient sewer pipe along Pearl Avenue serving the Compton community. The project is an appropriate use of taxpayer funds because it will protect Compton's residents from dangerous sewer overflows that are likely to happen if the line is not replaced.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Maxine Waters
Member of Congress
