The Honorable Kay Granger  
Ranking Member  
Appropriations Committee  
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting Community Project Funding for the LAX Workforce Development Project in fiscal year 2023.

The entity to receive funding for this project is Los Angeles World Airports (LAWA), located at 1 World Way, Los Angeles, CA 90045. The funding would be used to expand LAWA's workforce development program at Los Angeles International Airport (LAX) to include job training opportunities and pathways for aviation careers and to ensure the inclusion of, and outreach to, public housing residents within the 43<sup>rd</sup> Congressional District. The project would be a valuable use of taxpayer funds because it will directly benefit local residents by offering them free training opportunities for well-paying, stable airport-related careers in their area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Maxine Waters  
Member of Congress
