The Honorable Kay Granger
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting Community Project Funding for the Lumpkin House Rebuild Project in fiscal year 2023.

The entity to receive funding for this project is Watts Healthcare Corporation, located at 10300 Compton Ave., Los Angeles, CA 90002. The project address is Lumpkin House, 524 W 121st St, Los Angeles, CA 90044. The funding would be used to rebuild and expand the capacity of Lumpkin House, a Recovery Bridge Housing/Sober Living facility for women, which serves women recovering from substance use disorders and which is currently limited by outdated facilities, lack of space for residents, and lack of room for staffing and supports. The project would be a valuable use of taxpayer funds because it will expand access to behavioral health and community care options.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Maxine Waters
Member of Congress
