The Honorable Kay Granger
Ranking Member
Appropriations Committee
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the El Camino College Education and Workforce Development Center Project in fiscal year 2022.

The entity to receive funding for this project is El Camino College, located at 16007 Crenshaw Blvd, Torrance, CA 90506.

The funding would be used for El Camino College to expand its efforts training students in the skills needed by the next generation of America's workforce, partnering with industry to ensure existing workers are able to meet future standards, and increasing participation by underrepresented populations within the high skilled aerospace, manufacturing and tech workforce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Maxine Waters
Member of Congress
